Useful Terms

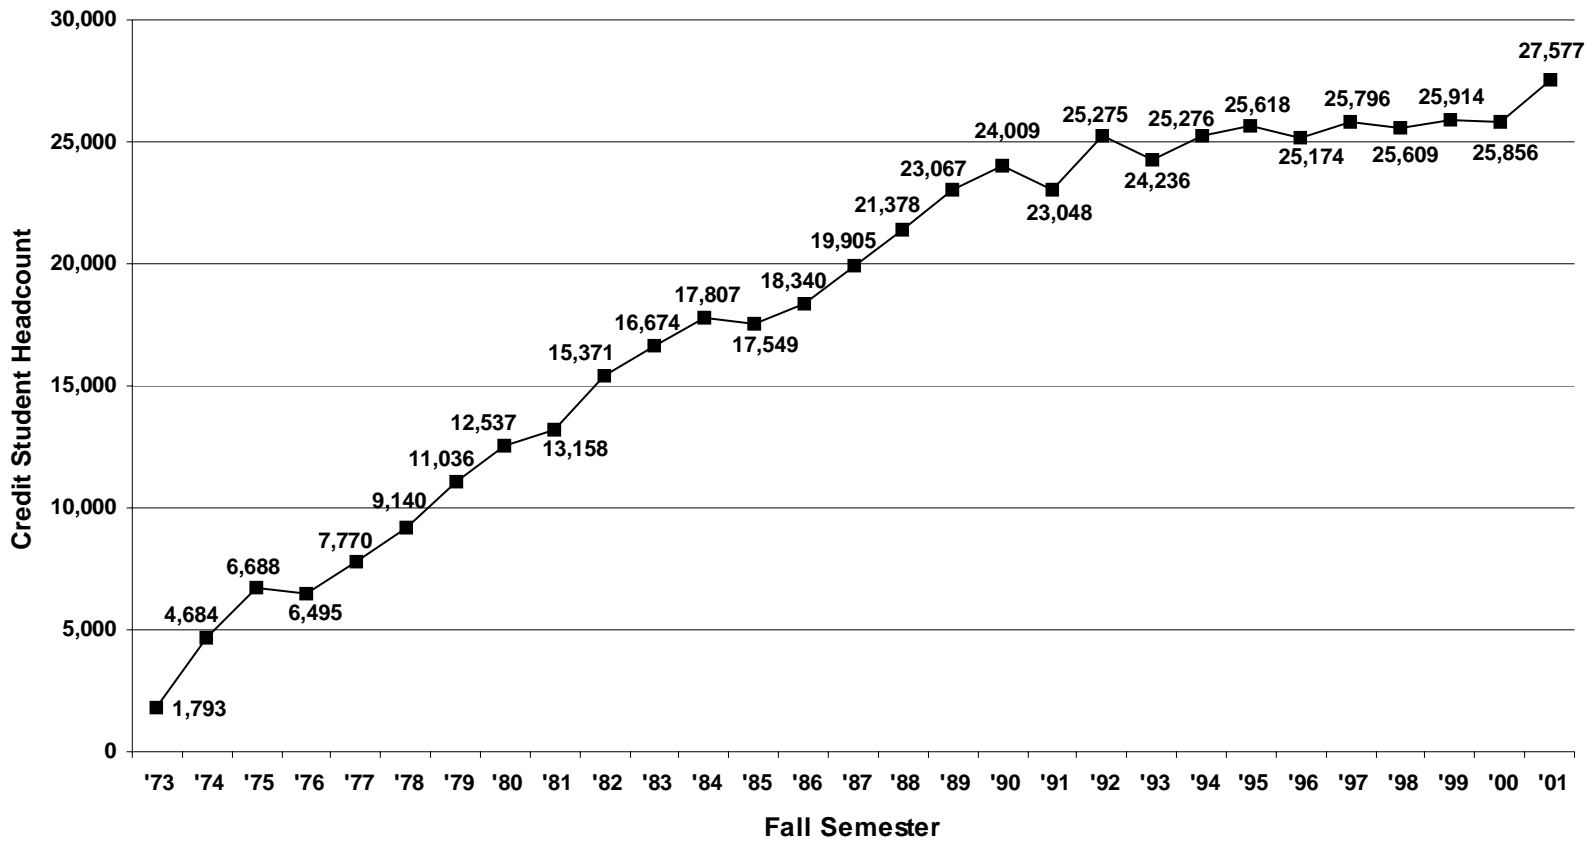

First-Time in College Student - a student who has never attended college or any other postsecondary institution. These students are not reported as first-time-entering college until they have completed their high school work.

First-Time Transfer Student - a student who is entering ACC for the first time but is known to have previously attended another postsecondary institution at the undergraduate level.

Headcount - the number of students enrolled in one or more courses.

High School Concurrent Enrollment - the number of students enrolled in high school (as juniors and seniors) and in college. These students receive college credit and may receive high school graduation credit for the classes they take at ACC.
