## **Historical Profile**

Austin Community College (ACC) was established in December 1972 by voters of the Austin Independent School District (AISD). In the fall of 1973, ACC registered 2,363 students. Classes began on September 17, 1973. The AISD Board of Trustees served as ACC's Board of Trustees, and the College shared the district's boundaries.

In December 1978, ACC was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award associate degrees. ACC's enrollment had increased to 13,481 students.

On March 1, 1982, the Board, following the guidelines of the Texas Education Code, established its own governing Board of Trustees, consisting of nine elected members. Accreditation was reaffirmed by SACS in 1983, 1993, and 2004.

With its purchase of the Austin Country Club in January 1983, ACC acquired its first real estate. Situated at 5712 East Riverside Drive, the property is now ACC's Riverside Campus. ACC's Board of Trustees held its first election in the spring of that year.

On November 5, 1985, 83 percent of the citizens of the Leander Independent School District voted to become part of the ACC taxing district.

Following the passage of the 1985 General Appropriations Act, which stated that "it is the intent of the Legislature that all public junior colleges receiving state appropriations shall initiate procedures necessary to secure ad valorem revenues sufficient to supplement the funding of the district by August 31, 1987," ACC held a successful tax base election. The measure approved a maximum rate of 5 cents per \$100 assessed property valuation.

On November 3, 1998, 70 percent of the citizens of the Manor ISD voted to become part of the ACC taxing district.

On May 3, 2003, voters held a successful referendum that increased the College's maximum tax rate to 9 cents per \$100 assessed property valuation and approved the sale of \$99 million in bonds for construction of a South Austin campus and other facility improvements.

On May 15, 2004, sixty percent of the voters of Del Valle Independent School District approved annexation to the ACC taxing district.

On May 7, 2005, 79 percent of voters approved a proposal to annex City of Austin territory not already in the ACC District. Annexed areas included portions of Pflugerville, Round Rock, and Eanes Independent School Districts inside the Austin city limits.

The College maintains six campuses: Rio Grande (1975), Riverside (1984), Northridge (1989), Pinnacle (1990), Cypress Creek (1991), and Eastview (1999). The College operates two additional facilities: the Highland Business Center (1988) and Service Center (2001).
