Useful Terms

12th Class Day Data - total enrollments as of the 12th day of class.

First-Time in College Student - a student who has never attended college or any other postsecondary institution. Students are not reported as first-time-entering college until they have completed their high school work.

Headcount - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

High School Concurrent Enrollment - the number of students enrolled in high school (as juniors and seniors) and in college. These students receive college credit and may receive high school graduation credit for the classes they take at ACC.

In-district – students who live within ACC’s tax-paying districts and taxes in support of the college and receive lower in-district tuition rates. Students who live or own property within the City of Austin or the Austin, Del Valle, Leander, or Manor Independent School Districts, as well as portions of Eanes, Pflugerville and Round Rock Independent School Districts are considered in-district students.

Out-of-district – students who live outside ACC’s in-district taxing boundaries as identified in the in-district definition. Higher out-of-district tuition rates are charged to out-of-district students.
