## Useful Terms

**4th Class Day Data (Second 5½ week session)** - data for summer classes, as of the 4<sup>th</sup> day of class of the second 5 1/2 week session. (Official Reporting Date for the Summer Semester)

**12th Class Day Data** - data for Fall or Spring classes, as of the 12th day of class of the 16-week session. (Official Reporting Date for the Fall and Spring Semesters)

**Centers** - locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester).

**Contact Hour** - an instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

**Distance Learning** - includes non-traditional courses offered through Directed Studies, Hybrid courses, Instructional Television, Personal Computer with Modem, and Print-Based courses.

**Duplicated Headcount** - occurs when a student is counted more than one time because they are enrolled in more than one course. For example, a student who attends several courses at one location and one or more courses at a second location is counted twice, once at each location.

**Enrollment** - the number of courses for which students have registered.

**Headcount** - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

**Reporting Dates** - Fall/Spring: 12th Class Day  
Summer: 4th Class Day of the second 5½ week session

**Semester Credit Hours (SCH)** - one clock hour of class per week. For example, PSYC-2301 meets for three hours a week and is worth three semester credit hours.

**Site-Based Instruction** - includes various credit and non-credit classes and training to businesses, government entities, high schools, correctional institutions, and community groups.

**Unduplicated Headcount** - the sum of students enrolled in credit courses with each student counted only once during the reporting period.
