Useful Terms

Certified Data – data that are reported to the Texas Higher Education Coordinating Board and verified by ACC as of the term’s official reporting date (census date).

Full-time Student Equivalent (FTSE) - the total semester credit hours divided by 15, which is considered to be a full-time course load.

Headcount – the number of students enrolled in one or more courses.

In-district – students who live within ACC’s tax-paying districts and pay taxes in support of the college and receive lower in-district tuition rates. Students who live or own property within the City of Austin or the Austin, Del Valle, Leander, Manor, or Round Rock Independent School Districts, as well as portions of Eanes and Pflugerville Independent School Districts are considered in-district students.

Out-of-district – students who live outside ACC’s in-district taxing boundaries as identified in the in-district definition. Higher out-of-district tuition rates are charged to out-of-district students.
