Useful Terms

Course Enrollment - the number of students registered for courses.

Duplicated Race/Ethnicity – students may be counted in more than one category based on their Race/Ethnicity selection with one exception: if students selected “Non-Resident Alien,” they were counted only as “Non-Resident Alien” (regardless of whether they selected an additional race/ethnicity).

Student Headcount - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

Unduplicated Race/Ethnicity – students were counted in only one category based on their Race/Ethnicity selection. “Two or more” includes non-Hispanic students that selected more than one race category.

Continuing Education Overview

The Continuing Education Division at Austin Community College offers programs in the following areas:

The **Workforce Development Center (WDC)** area is designed to provide a wide range of training and educational opportunities for individuals getting started in the workplace, furthering their current careers, or working to meet licensure and certification requirements.

The WDC is made up of six major program areas, including:

Computers & Information Technology - provides technology training and certification through practical hands-on instruction for both new and experienced users. Courses range from computer fundamentals to web authoring, from software programming to AutoCAD training.

Applied Technology & Trades - provides hands-on training for those interested in industrial and construction trades careers. Program areas include truck driving, automotive, machining and facilities maintenance, as well as building constructions, HVAC, plumbing and many others.

Healthcare Professions - provides entry-level training opportunities for individuals beginning their career in healthcare. Continuing education opportunities for current healthcare professionals needing this education as part of their recertification, re-licensure, and professional development are also provided.

Business & Professional Training - provides training for those starting or transitioning to a new career, meeting professional continuing education requirements, or simply expanding upon their existing skills in a variety of program areas. Program areas include job entry training, business development, professional development, and professional continuing education.

Teaching & Learning - provides college and career readiness training for students and teachers, including parenting classes, childcare training, ParaEducator training, as well as teacher certification and professional development.

Sponsored Training - provides connection to both training opportunity with ACC and support services through our partnerships with community-based and non-profit organizations in Central Texas. Training opportunities range from trade skills to healthcare and beyond.

Our **Community Programs** area provides classes that are designed to challenge the creative mind, increase and refine vocational skills, develop individuals personally, and promote lifelong learning.

Community Programs is made up of three major program areas, including:

Interior Design Institute - provides floral design, landscape design and horticulture. These programs offer premier training for individuals wanting to enter these specific industries.

Institute of Language and Culture - provides a variety of language classes which focus on speaking skills in a language.

Personal Enrichment - provides programs in recreational courses, arts and crafts, photography, financial seminars, State Theatre classes, Event and Wedding Planning, Assessment Test Preparation and many more.

Corporate Training Solutions (CTS) provides a one-stop source for training solutions that support business, industry, and governmental agencies. By collaborating with organizations to analyze learning needs, Corporate Training Solutions tailors educational experiences that help to develop employee talent and improve performance. Programs are flexible, on target, convenient and a value-added resource, making Corporate Training Solutions a partner in improving business results.

Continuing Education Academic Year 2013 Programs

Workforce Development Center

- **Computers & Information Technology**
 - Apple Certification
 - Cisco Certification
 - Computer Aided Design
