

Degrees & Awards

This section can be used for finding:

- *the number of degrees and certificates awarded annually.*
- *the number of degrees and certificates awarded by program area over the past five years.*
- *the number of students who successfully completed ACC's core curriculum.*

Marketable Skills Achievement	220
Awards Summary	220

Useful Terms

Associate of Applied Science (AAS) - awarded to students who successfully complete the prescribed courses in any of the occupational-technical programs and the requisite 15 semester credit hours taken from the approved general education course list.

Associate of Arts (AA) - awarded to students who complete at least 60 semester credit hours, 42 of which must be taken from the core curriculum and eight semester credit hours of foreign language courses (all courses must be in the same foreign language).

Associate of Arts in Teaching (AAT) - awarded to students who complete a degree aimed at those who wish to become certified teachers; includes the 42-semester credit hour core curriculum.

Associate of Science (AS) - awarded to students who complete at least 60 semester credit hours, 42 of which must be taken from the core curriculum, including six to eight semester credit hours of natural science courses.

Certificate - awarded to students who complete one of the approved certificate programs.

Core Curriculum - consists of 42 credits that will automatically transfer to all Texas public colleges and universities. If a student satisfies all component areas, that block of courses must be substituted for the receiving institution's core curriculum.

Degree - an award given as official recognition for the successful completion of a program of study.

Field of Study Curriculum - facilitates transferability of lower-division academic courses among Texas public colleges and universities.

Marketable Skills Achievement (MSA) - a sequence of credit courses totaling 9-14 semester credit hours or workforce continuing education courses totaling 144-359 contact hours.

**Programs of Study
Fall 2013**

The educational programs of Austin Community College District include workforce programs and academic/transfer programs. The workforce programs are designed to meet the increasing demand for skilled technicians and paraprofessionals for employment in industry and business. ACC awards both Associate of Applied Science (AAS) degrees and certificates in workforce programs. Associate of Arts (AA), Associate of Arts in Teaching (AAT), and Associate of Science (AS) degrees are awarded as transfer degrees and correspond to the first two years of a baccalaureate program at four-year institutions.

The programs and program areas in which Austin Community College District offers courses include the following:

Associate of Arts (AA) Programs

Anthropology
 Art
 Creative Writing
 Dance
 Drama
 Economics
 English
 Foreign Language
 Arabic
 Chinese
 French
 German
 Japanese
 Latin
 Russian
 Spanish
 General Studies in Liberal Arts
 Geography
 Government
 History
 Journalism
 Music
 Philosophy
 Psychology
 Radio-Television-Film
 Social Work
 Sociology
 Speech

Associate of Arts in Teaching

Education Instruction
 4-8 Grade Levels
 8-12 Grade Levels
 Early Childhood-6 Grade Levels

Associate of Science (AS) Programs

Archaeology
 Biology
 Business Administration
 Chemistry
 Computer Science
 Computer Information Systems
 Computer Science
 Engineering
 Environmental Studies
 General Studies in Science
 Geology
 Health and Kinesiology
 Health
 Kinesiology
 Mathematics
 Physics
 Pre-Med
 Pre-Dental
 Pre-Medical
 Pre-Pharmacy
 Pre-Veterinary

Associate of Applied Science (AAS) Programs

Certificate Programs

Accounting Clerk	Emergency Medical Services Professions
American Sign Language-Interpreter Training	EMT Intermediate Certificate
American Sign Language Studies	EMT Paramedic Certificate
Interpreter Training	Environmental Science and Technology
Architectural and Engineering Computer Aided Design	Erosion and Sediment Control
Architectural and Engineering CAD	Fire Protection Technology-Firefighter
CAD/CAM	Geographic Information System
CAD Management Specialization	GIS-Level 1
Civil CAD Specialization	GIS-Level 2
Integrated Circuit Layout and Design Specialization	Health Information Technology
Auto Body Collision Repair and Refinishing	Medical Coding Specialist
Auto Body Collision Repair	Heating, Air Conditioning, & Refrigeration Tech.
Auto Body Refinishing	Hospitality Management
Automotive Technology and Outdoor Powered Equip.	Human Services
Automotive Technician	Addictions Counseling
Marine Engine Repair	Addictions Counseling in the Criminal
Motorcycle Repair	Justice System
Small Engine Repair	Deaf Services
Biotechnology	Therapeutic Recreation
Building Construction Technology	International Business
Carpentry Specialization	Jewelry
Construction Manager	Land Surveying Technology/Geomatics
Woodworking	Management
Business and Technical Communications	Administrative Management
Business and Government Comm. Specialization	Management Specialities Leadership
Social Media Communication	Small Business Management
Technical Communications	Marketing
Child Care and Development - Child Development	Fashion Marketing
Computer Information Technology	Marketing
Computer Information Technology Database	Meeting and Events Planning-Meeting Planning
Computer Programming-C++ Track	Nursing (Vocational)
Computer Programming-Java Track	Office Administration
Computer Programming-Software Testing	Administrative Assistant
Information Technology-User and Computer Supp.	Legal Administrative Asst. Specialization
Local Area Network Systems-Network Admin.	Medical Administrative Asst. Specialization
Web Developer Specialist	Medical Office Assistant Specialization
Criminal Justice-Texas Peace Officer Sequence	Office Assistant
Culinary Arts	Software Applications Specialist
Culinary Arts	Personal Fitness Trainer
Pastry Arts	Fitness Specialist
Diagnostic Medical Imaging-Radiology	Personal Fitness Trainer
Magnetic Resonance Imaging	Pharmacy Technician
Electronics and Advanced Technologies	Photographic Technology
Automation, Robotics, and Controls Technology Spec.	Digital Assistant
Bioinstrumentation Technology Specialization	Photographic Artist
Electronics Technician Specialization	Radio-Television-Film
Engineering Technology Specialization	Film/Video Production Management
Nanoelectronics Manufacturing Tech. Spec.	Film/Video Production Technology
Networking/Computer Electronics	Real Estate Licensing
Power Technology Specialization	Surgical Technology
Renewable Energy Specialization	Travel and Tourism
Utility Lineworker

(continued)**

Visual Communication Design
2D Animation
3D Animation
Game Art
Game Design
Graphic Arts Technology
Graphic Design
Motion Graphics Specialization
Web & Interactive Design
Welding Technology
Art Metals: Metal Sculpture
Art Metals: Metalsmithing
Inspection
Pipe Welding
Plate Welding
Ultrahigh Purity Piping

Advanced Technical Certificate

Accounting - Professional Accountant
Biotechnology
Diagnostic Medical Imaging
Cardiovascular-Interventional Radiology
Environmental Technology
Paralegal

Enhanced Skills Certificate

Medical Lab Technology-Molecular Diagnostics
Sonography-Vascular Technology
Visual Communication-Illustration

Marketable Skills Award

Accounting
Accounting Specialist
Accounting Technician
Professional Accountant
Building Construction Technology
Child Care and Development-
Comprehensive CDA Training Program
Electronics and Advanced Technologies
Lineworker
Welding Technology-Inert Gas Welding

Field of Study

Business
Communication
Computer Science
Criminal Justice
Engineering and Engineering Technology
Mexican-American Studies
Music
Nursing

Core Curriculum

42-hours of general education courses in:
English Rhetoric/Composition
Communication
Mathematics
Fine Arts
Government
History
Other Social and Behavioral Sciences
Natural Sciences
Humanities

**Institutional Awards
Academic Year 2013**
(September 1, 2012 - August 31, 2013)

Core Completers

The core curriculum is predicated on a series of basic intellectual competencies. ACC's core consists of 42 credits of general education courses in the areas of English, Communications, Mathematics, Natural Science, Humanities, Visual and Performing Arts, Government, History, and an additional Social and Behavioral Science.

When the 42-hour core curriculum is successfully completed, that block of courses may be transferred to any other public institution of higher education in Texas and must be substituted for the receiving institution's core curriculum. Students may or may not complete their degree or certificate requirements at the same time that they complete the core curriculum.

Core Completers	788	881	1,200	1,388	1,387	76.02%

Field of Study Curriculum

Field of study curriculum facilitates transferability of lower-division academic courses among Texas public colleges and universities.

When an ACC field of study curriculum is successfully completed, that block of courses may be transferred to any Texas public college or university. The field of study curriculum is substituted for that institution's lower division requirements of the degree program for the field of study into which the students transfer, and the student shall receive full academic credit toward the degree program of the block of courses transferred.
