**Notes**

The Texas Legislature designated service area encompasses the following six counties: Bastrop, Blanco, Caldwell, Hays, Travis, and Williamson.

Williamson County excludes the territory within the Florence, Granger, Hutto, Lexington, Taylor, and Thrall Independent School Districts.

Course enrollment in the Independent Study program discontinued after Academic Year 2013.

Corporate Training Solutions programs do not include certain contract enrollment figures.

Continuing Education created the Community Partnerships area and the majority of enrollments were subsequently moved from Business to the new area in Academic Year 2016.

## **Continuing Education Overview**

The Continuing Education Division at Austin Community College offers programs in the following areas:

The ***Workforce Development Center (WDC)*** area is designed to provide a wide range of training and educational opportunities for individuals getting started in the workplace, furthering their current careers, or working to meet licensure and certification requirements.

The WDC is made up of nine major program areas, including:

*Business Training* - provides training for those starting or transitioning to a new career, meeting professional continuing education requirements, or simply expanding upon their existing skills in a variety of program areas. Program areas include job entry training, business development, professional development, and professional continuing education.

*Community Partnerships* - provides connection to both training opportunity with ACC and support services through our partnerships with community-based and non-profit organizations in Central Texas. Training opportunities range from trade skills to healthcare and beyond.

*Computers & Information Technology* - provides technology training and certification through practical hands-on instruction for both new and experienced users. Courses range from computer fundamentals to web authoring, from software programming to AutoCAD training.

*Engineering & Emerging Technology* - provides leading-edge training in advanced technologies areas. Program areas include alternative fuel vehicle inspection, professional engineer certification, and advanced manufacturing processes & systems.

*Healthcare Professions* - provides entry-level training opportunities for individuals beginning their career in healthcare. Continuing education opportunities for current healthcare professionals needing this education as part of their recertification, re-licensure, and professional development are also provided.

*Teaching & Specialized Education* - provides college and career readiness training for students and teachers, including parenting classes, childcare training, ParaEducator training, as well as teacher certification and professional development.

*Trades* - provides hands-on training for those interested in industrial and construction trades careers. Program areas include truck driving, automotive, machining and facilities maintenance, as well as building constructions, HVAC, plumbing and many others.

*Youth Programs* - provides exciting and engaging learning opportunities for children ages K-12. Program areas include basic computer skills, video game development, and web development.

## Continuing Education Overview (continued)

Our **Community Programs** area provides classes that are designed to challenge the creative mind, increase and refine vocational skills, develop individuals personally, and promote lifelong learning.

Community Programs is made up of multiple program areas, including:

*Design Programs* - provides programs in fashion design, floral design, interior design, landscape design and horticulture. These programs offer premier training for individuals wanting to enter these specific industries.

*Institute of Language and Culture* - provides a variety of language classes which focus on speaking skills in a language.

*Personal Enrichment and Professional Development* - provides programs in arts and crafts, acting, jewelry, notary public, photography, Event and Wedding Planning, Assessment Test Preparation, writing and many more.

*Sustainable Agriculture* - provides training in organic food production methods and agricultural business skills.

*Fête Event Solutions* - provides services to the college and community to allow our students to continue to learn and to gain hands-on opportunities in the trendy event and floral industry. "Educate to Celebrate" offering services in Event Planning, Floral Designs, Custom Catering, Conferences Logistics, Décor, Linens, and Prop Rentals.

**Corporate Training Solutions (CTS)** provides a one-stop source for training solutions that support business, industry, and governmental agencies. By collaborating with organizations to analyze learning needs, Corporate Training Solutions tailors educational experiences that help to develop employee talent and improve performance. Programs are flexible, on target, convenient and a value-added resource, making Corporate Training Solutions a partner in improving business results.

**Nonprofit Training** provides professional and volunteer staff learning opportunities for those working with community-based and nonprofit organizations. Programs include leadership & nonprofit management, grant writing, volunteer management, and many others.
