Early College High School Enrolment by School District by High School .....	120

**Notes**

Early College High School (ECHS) blends high school and college in a rigorous yet supportive program, compressing the time it takes to complete a high school diploma and the first two years of college.

Dual Credit (DUAL) allows students to start earning college credit before graduating from high school. Courses may be taken at any ACC campus, ACC center, online, or the high school campus if available. ACC's Dual Credit Program is open to all eligible high school students who demonstrate college readiness in the areas required for the ACC class(es) in which they wish to enroll.

In Fall 2011, John H Reagan and Lyndon B Johnson of Austin Independent School District (ISD) became Early College High Schools.

In Fall 2014, Colorado River Collegiate Academy of Bastrop ISD, Elgin High School of Elgin ISD, and Manor High School of Manor ISD became Early College High Schools.

In Fall 2015, William B Travis of Austin ISD and Del Valle High School of Del Valle ISD became Early College High Schools.

In Fall 2016, Austin Community College and the Round Rock Independent School District opened an Early College High School at ACC's Round Rock Campus.

In Fall 2017, David Crockett, Eastside Memorial and Sidney Lanier of Austin ISD became Early College High Schools.
