This report displays a summary, by area of study, of the IPEDS Completions Survey submitted each fall. This survey collects completions by CIP, award level, race/ethnicity, gender of recipient, and by 6-digit CIP code. It is important to note that the time period covered in this report is different from the time period covered by the THECB Graduations reports. The IPEDS report counts completions from July 1 through June 30; the THECB report counts completions from September 1 through August 31 (fall, spring, and summer of a single academic year).

This report displays a summary, by area of study, of the IPEDS Completions Survey submitted each fall. This survey collects completions by CIP, award level, race/ethnicity, gender of recipient, and by 6-digit CIP code. It is important to note that the time period covered in this report is different from the time period covered by the THECB Graduations reports. The IPEDS report counts completions from July 1 through June 30; the THECB report counts completions from September 1 through August 31 (fall, spring, and summer of a single academic year).
