Notes to Budget Planning Book – FY 2002

Methodology

Each fiscal year includes the academic terms for Fall, Spring, and Summer. Fiscal year 2002, for example, includes the Fall 2001, Spring 2002, and Summer 2002 terms. Only active sections for fiscal year 2002 were included in this analysis. Determination of the number of sections for fiscal year 2002 is calculated by summing the number of “primary sections” in the ACC computer system. For instance, PSYC-2319 (primary section of Social Psychology) and SOCI-2326 (non-primary section of Social Psychology) are counted as one section in this report. Therefore, section counts are labeled as “Combined Sections”. However, when counting faculty, enrollments, credit hours, and contact hours, data are based on the corresponding values from the uncombined sections. For example, if 20 students are enrolled in PSYC-2319 and 10 students are enrolled in SOCI-2326, the overall enrollment will be reported as 30 students.

Faculty Status Definition

The determination of faculty status is made on a fiscal year basis. If a member of the faculty has a full-time assignment any time during the fiscal year, the faculty member will be considered “Full-time” for the entire year. (Full-time faculty also includes Adult Education Instructors.) If a member of the faculty has a part-time assignment any time during the fiscal year, and has no full-time assignment, the faculty member will be considered “Adjunct” for the entire year. Only if the faculty member has no full- or part-time assignment during the fiscal year will the member be assigned to the “Other” category. The table below details the faculty status designation used for Budget Book FY 2002.

Faculty Status in ACC computer system	Faculty Status for Budget Book FY 2002
Adjunct Faculty	Adjunct
Administrator	Other
Adult Education Instructor	Full-Time
Classified	Other
Counselor	Other
Full-time Faculty	Full-Time
Grant Professional	Other
Hourly Instructor	Other
Librarians	Other
Professional/Technical	Other
Retirees	Other
Stipend/Bi-weekly	Other

Sections for which no identifiable faculty could be established were lumped into the “Other” category.

ACC Campus Location Definition

Campuses: Six campuses include Cypress (CYP), Eastview (EVC), Northridge (NRG), Pinnacle (PIN), Rio Grande (RGC), Riverside (RVS).

Extension Centers (Ext.Ctr.): Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester). Extension centers include Akins High School, Bastrop High School, Fredericksburg, Georgetown High School, J.C. Hays High School, Lockhart High School, Round Rock High School, San Marcos High School, and San Marcos Lamar Center.

Telecommunicated Instruction (Tele.): Courses delivered to individuals and groups by synchronous and asynchronous methods. This definition overrides all other campus definitions. In other words, if it is a telecommunicated course taught at a main campus (such as an interactive video class) or at an extension center, it is counted as a telecommunicated course. Delivery methods in telecommunicated courses include instructional television, (ITV), web-based courses (PCM), print-based courses (PRN), directed studies (DIR), and interactive video class (IVC).

Site-based Instruction (S. Based): Includes various credit and non-credit classes and training to businesses, government entities, high schools, correctional institutions, and community groups.

Fashion Merchandising

Beginning with fiscal year 2002, Fashion Merchandising moved into the Marketing department. For comparison purposes, previous fiscal years' data for Fashion Merchandising was retroactively added to the Marketing department.

Note: Valid comparisons of data prior to fiscal year 2000 to current data cannot be made due to incompatibilities between the old and new student databases and changes in ACC's academic organization. As much as possible, the data in these reports reflect the current ACC organizational structure.
