

Enrollment by Area

This section can be used for finding:

- *course enrollment, semester credit hours, and contact hours by program.*
- *student headcount, enrollment, contact hours, and semester credit hours broken out by dean area and location.*

Useful Terms

4th Class Day Data (Second 5½ week session) – total enrollments, for all summer classes, as of the 4th day of class of the second 5 1/2 week session.
(Official Reporting Date for the Summer Semester)

12th Class Day Data - total enrollments as of the 12th day of class of the 16 week session.
(Official Reporting Date for the Fall and Spring Semesters)

Contact Hour - an instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

Enrollment - the number of students enrolled in a course. Duplicated enrollment occurs when a student is counted more than one time because they are enrolled in more than one course.

Headcount - the number of students enrolled in one or more courses. This number may be duplicated or unduplicated.

Reporting Dates – Fall/Spring: 12th Class Day
Summer: 4th Class Day of the 2nd 5½ week session

Semester Credit Hours (SCH) – one clock hour of class per week. For example, PSYC-2301 meets for three hours a week and is worth three semester credit hours.

**Student Headcount, Course Enrollment, Contact Hours, and
Semester Credit Hours by Location
Summer 2006**

Location	Headcount¹	Course Enrollment²	Contact Hours³	Semester Credit Hours
Cypress Creek Campus	1,413	1,769	99,344	5,390
Eastview Campus	1,414	2,161	181,552	6,364
Northridge Campus	5,654	8,210	480,952	25,163
Pinnacle Campus	1,456	1,842	109,760	5,838
Rio Grande Campus	5,320	7,420	447,736	24,184
Riverside Campus	3,505	4,894	299,968	15,607
Telecommunicated Instruction⁴ Centers⁵	6,502	9,381	469,488	28,080
Site-Based Instruction⁶	610	727	41,312	2,091

¹ Students who attend multiple locations are counted once at each location.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor (includes both lecture and laboratory time).

⁴ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television using recorded video programs shown on cable television and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes (LTV) to individual students at home or work via the Internet or cable television. Prior to Summer 2006, interactive video classes were classified as telecommunicated instruction.

⁵ Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester).

⁶ Various credit and non-credit classes and training offered for businesses, government entities, high schools, correctional institutions, and community groups.

¹ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television using recorded video programs shown on cable TV and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes to individual students at home or work via the Internet or cable television.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

⁴ Prior to Fall 2006, interactive video classes were classified as telecommunicated instruction.

¹ Students who attend multiple locations are counted once at each location.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor (includes both lecture and laboratory time.)

⁴ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television using recorded video programs shown on cable TV and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes (LTV) to individual students at home or work via the Internet or cable television.

⁵ Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester).

⁶ Various credit and non-credit classes and training offered for businesses, government entities, high schools, correctional institutions, and community groups.

¹ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television using recorded video programs shown on cable TV and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes to individual students at home or work via the Internet or cable television.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

⁴ Prior to Fall 2006, interactive video classes were classified as telecommunicated instruction.

¹ Students who attend multiple locations are counted once at each location.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor (includes both lecture and laboratory time.)

⁴ Courses delivered to individuals and groups by synchronous or asynchronous methods. Delivery methods include instructional television using recorded video programs shown on cable TV and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes (LTV) to individual students at home or work via the Internet or cable television.

⁵ Locations other than campuses that are staffed, have regular posted hours, and offer credit courses on a regular basis (every semester).

⁶ Various credit and non-credit classes and training offered for businesses, government entities, high schools, correctional institutions, and community groups.

¹ Courses delivered to individuals and groups by synchronous or asynchronous methods include instructional television using recorded video programs shown on cable TV and on cassette, web-based courses, print-based courses using a textbook, directed studies, and live televised classes to individual students at home or work via the Internet or cable television.

² Students who enroll in more than one course are counted once for each course.

³ An instructional unit of time in which a student has contact with an instructor; includes both lecture and laboratory time.

⁴ Prior to Spring 2007, interactive video classes were classified as telecommunicated instruction.
