

**Austin Community College District**  
**AWARDS/DEGREES CONFERRED BETWEEN JULY 1, 2004 AND JUNE 30, 2005**

This report displays a summary, by dean area, of the IPEDS Completions Survey submitted each fall. This survey collects degree completions by level (associate's, bachelor's, master's, doctor's, and first-professional) and other formal awards by length of program (certificates), by race/ethnicity and gender of recipient, and by 6-digit CIP code. It is important to note that the time period covered in this report is different from the time period covered by the THECB Graduations reports. The IPEDS report counts completions from July 1 through June 30 (summer of one academic year, fall and spring of the next academic year); the THECB report counts completions from September 1 through August 31 (fall, spring, and summer of a single academic year).
