PLEASE NOTE

1. The data for the enclosed reports were pulled on September 10, 1999, and reflect student counts as of that date.

2. Coding for this report is based on the Student System set up in Datatel/Colleague. To the extent possible, it reflects the coding scheme in the legacy system. However, there may be differences in the way the data are aggregated because of differences in the ways the two systems handle various types of data.

3. Four letter subject matter rubriks are used throughout the reports.
