DISCRIMINATION

Employment at the College and access to its programs or activities shall not be limited on the basis of race, color, creed, national origin, religion, age, gender, sexual orientation, political affiliation, or physical disability. ACC will take steps to ensure that the lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. All recruitment and admissions material complies with section 504 of the Rehabilitation act of 1973, as amended, and the Americans with Disabilities Act (ADA). Inquiries regarding ACC's compliance with ADA, or requests for accommodations for persons with disabilities can be directed to:

NOTES

> Data include enrollments in all active sections as of the official reporting date for the spring 2008 term (Jan. 30, 2008).

> The increased use of the web registration should be taken into account when comparisons are made to previous years' data. Unofficial Spring 2008 statistics indicated that 59% of ACC students registered via the web; in Spring 2007, 62% of students registered via the web. The preliminary high demand and headcount attrition statistics are computed from telephone registrations only (due to data limitations of the web registration process).

> Data for enrollment and contact hours are based on uncombined section counts. Thus, enrollment and contact hours are counted separately for sections of PSYC-2319 (primary course of Social Psychology) and SOCI-2326 (non-primary course of Social Psychology), which are taught together.

TABLE 2 - Centers include Bastrop, Fredericksburg, Georgetown, Hays, Lockhart, Round Rock HEC, and San Marcos (High School
                and Lamar Center).

TABLE 3 - Aggregation of zip codes into regions has been redefined (beginning Fall 2001). Please use caution when comparing to previous
                Preliminary Enrollments Reports.
            - Headcounts may be duplicated across locations.

TABLE 6 - A number of courses did not have designated meeting times and are labeled as "N/A."

TABLE 7 & 8 - Data are unduplicated at course level - a student who was turned away from PHIL-1301 and RNSG-1105, and took no other
                ACC course, was counted once for each course he or she was turned away from. The overall total is duplicated.

Abbreviations: CYP - Cypress Creek; EVC - Eastview; NRG - Northridge; PIN - Pinnacle; RGC - Rio Grande; RVS - Riverside (Six "Main Locations").

Note: The drop in the number of students turned away is a result of the increase in web registrations. Data on students turned away from courses are from telephone registrations only.

> Unofficial spring 2008 statistics indicated that 59% of students had web registration activity. Web registration activity includes initial registration or any subsequent add/drop activity. Students who had other registration activity (telephone registration, in person), as well as web activity, were included in the web registration activity cohort.
