## **NOTES**

- > Data include enrollments in all active sections as of the official reporting date for the term (July 10, 2008).
  
- > The increased use of the web registration should be taken into account when comparisons are made to previous years' data. Unofficial Summer 2008 statistics indicated that 65% of ACC students registered via the web; in Summer 2007, 62% of students registered via the web. The preliminary high demand and headcount attrition statistics are computed from telephone registrations only (due to data limitations of the web registration process).
  
- > Data for enrollment and contact hours are based on uncombined section counts. Thus, enrollment and contact hours are counted separately for sections of PSYC-2319 (primary course of Social Psychology) and SOCI-2326 (non-primary course of Social Psychology), which are taught together.

TABLE 2 - Centers include Bastrop, Fredericksburg, Georgetown, Hays, Leander, Lockhart, Round Rock HEC, San Marcos Center and San Marcos Goodnight Center.

TABLE 3 - Aggregation of zip codes into regions has been redefined (beginning Fall 2001). Please use caution when comparing to previous Preliminary Enrollments Reports.  
- Headcounts may be duplicated across locations.

TABLE 6 - A number of courses did not have designated meeting times and are labeled as "N/A."

TABLE 7 & 8 - Data are unduplicated at course level - a student who was turned away from PHIL-1301 and RNSG-1105, and took no other ACC course, was counted once for each course he or she was turned away from. The overall total is duplicated.

*Note:* The drop in the number of students turned away is a result of the increase in web registrations. Data on students turned away from courses are from telephone registrations only.

> Unofficial Summer 2008 statistics indicated that 65% of students had web registration activity. Web registration activity includes initial registration or any subsequent add/drop activity. Students who had other registration activity (telephone registration, in person), as well as web activity, were included in the web registration activity cohort.
