****Duplicated Race/Ethnicity Counts** - Students were assigned to more than one category based on their race/ethnicity selections, with one exception: if a student selected Non-Resident Alien, they were counted only as a Non-Resident Alien (regardless of whether they selected an additional race/ethnicity).

The large decline in the unduplicated student headcounts at ACC Centers was mainly due to classes no longer being offered at Round Rock Higher Education Center and the opening of the Round Rock Campus.

***Unduplicated Race/Ethnicity Counts** - Students were assigned to one category; in the case in which a student selected two or more categories, they were assigned to the most appropriate category using the following order of precedence: "Non-Resident Alien," "Hispanic," "Two or more."

****Duplicated Race/Ethnicity Counts** - Students were assigned to more than one category based on their race/ethnicity selections, with one exception: if a student selected Non-Resident Alien, they were counted only as a Non-Resident Alien (regardless of whether they selected an additional race/ethnicity).
