REC Meeting with Tracy

My Questions

- Contact details (cluster) – anyone else I should list too, and their title
- What is your event schedule for the summer/fall?
- What social media would you like for your events and how much?
- Can you list your top 5 events for the summer and fall (inclusive)?
- My SL alerts – worthwhile?
- What My SL orgs should you be in, be admin in, no longer be in?
- I know the website is extremely 'outdates (with the updates). If you have any events from last year that you absolutely want on there, what are they, and where could I find out information about them?
- My SL Research/Requests
- What's the status on Intramurals for the Fall right now? (i.e. dates, times, new leagues, locations, funding, registration, and more.)
- ACC vs. Australia – location, details, etc.
 - I know you're waiting on a gym. What's the update on that?
- Kickball – location, details, etc.
- My SL – Jennifer Anderson
 - I'm not sure we can allow a student access to any personal student information. Let me look into that. If she's not a student I'll see (same thing) about getting her access.
