Engage with Aplia through Blackboard by Following These Easy Steps!

Access Your Campus Learning Management System

1. Log in with your username and password. ** The login page will vary by campus.

Access Your Course

2. Your course will include a combination of links to content provided by your instructor and Cengage Learning. You will need your access code (or have the ability to purchase access) the first time you click on one of the links. Cengage Resources are identified with a Cengage Learning Logo.

Link Your Account

3. You will be asked to link a CengageBrain account with your campus Learning Management System account. If you do not have an account, you can create one from this page.

Payment Options

4a. Purchase online.

4b. Already purchased an access code? Redeem your code here.

4c. Or buy later and start your trial access (available for a limited time after class start date).

Note: This is a one-time process. If you have previously taken this step you will be taken directly to the payment options screen.
Problem Sets with Detailed Feedback

Aplia assignments include problem sets that will help you connect concepts to real-world applications. Problems sets include detailed feedback.

Access Your eText

Aplia also includes a digital version of your textbook. You will have access to a variety of tools to help you study.

You can take notes, highlight, access key terms and more.

That’s it! You’ve successfully registered for Aplia in Blackboard.
